

## 6.1 Kit for bonding unit type LKE 500

**Kit for extensible conduction bonding unit as desktop model for laboratory, development, etc.**

### **Basic unit:**

**Suitable for bonding flat-blade connections, cable lugs, wire-end sleeves, tinned ends, etc.**

The unit is optionally equipped with 3 to 5 bonding elements LKV De / D6 / D9, i.e. adapted for bonding conductors. The basic unit includes a central opening button for releasing quickly all conductors after testing.

Please specify in your order the number of bonding elements and the requested size of the bonding outlets (diameter 4 / 6 / 9 mm).

### **Order example:**

LKE 500-KG4 -T- 1/4 2/4 3/4 4/6

designates a basic unit with 4 bonding elements.

Elements 1 – 3 with 4 mm bonding outlet and element 4 with 6 mm diameter.

### **Order data:**

Order No.: LKE 500-KG3 -T- 1/\_\_\_2/\_\_\_3/\_\_\_

Order No.: LKE 500-KG4 -T- 1/\_\_\_2/\_\_\_3/\_\_\_4/\_\_\_

Order No.: LKE 500-KG5 -T- 1/\_\_\_2/\_\_\_3/\_\_\_4/\_\_\_5/\_\_\_
